

Mobile App- Tips & General Features

Logging in

You have been issued an email with a personalised login.

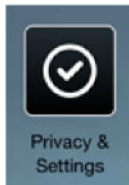

Once you log in, the greyed-out icons will become active.

Tap the big green 'Log in' icon & enter your email and app pin.

Your pin is in also printed on the reverse side of your name badge.

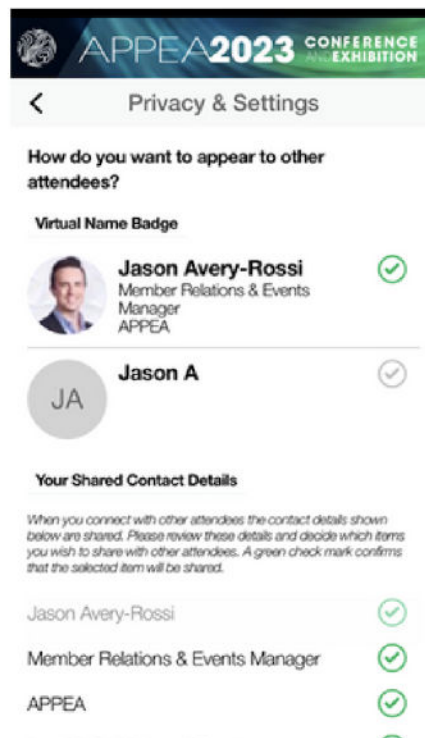

If you get stuck, just tap the 'reset password/get pin' button

Privacy settings

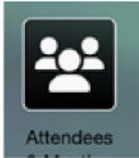

When you first log in, use this icon to decide what information you share with others

Your photo will be required to be displayed for security purposes

Connecting with others

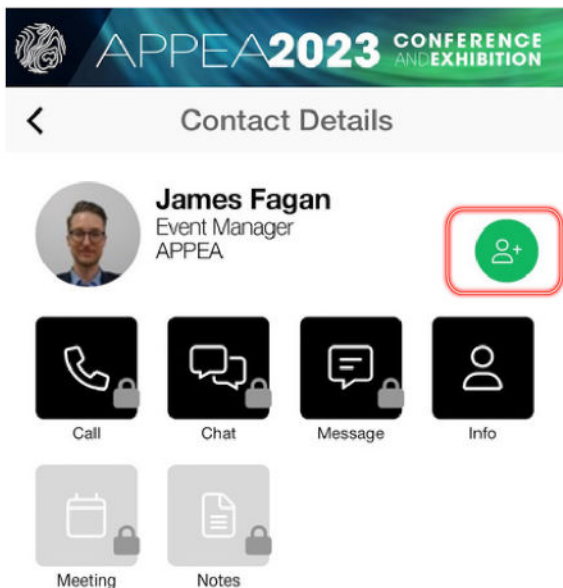

The 'Attendees' icon has all conference attendees who have consented to being listed on the app.

At the top of this page are tabs for:

- the **attendee** list
- **invitations** to you
- **your connections** you have made
- scan and connect with other attendees - scan their name badge or QR code in the app
- **export** your connections you have made

Once you enter someone's profile, tap this green icon to send a connection request.

If they choose to accept your connection request, you can then make contact.

Once you Connect with James Fagan you will be able to use the Call feature

Asking questions to presenters during sessions

1. Tap the 'Program' icon
2. Select your session
3. Tap the "Live Q&A" icon
4. Enter your question and then tap the 'Submit button.

This sends your question to an iPad that the facilitator/chairperson has, which collates all questions from all attendees.

Every endeavour will be made to answer your question, however there may be times when the volume of questions submitted means this may not be permissible. (as the iPad the chairperson has is receiving questions from both delegates onsite at the convention centre, as well as virtual delegates from around the world for the live streamed sessions)

1. A Subsurface Stroll Across Australia

📅 Tuesday, May 16, 2023
🕒 2:00pm - 3:15pm
📍 Adelaide Convention Centre
📍 Track:
